

# INSTITUTE OF SOUL MIND BODY MEDICINE®

## Divine Wisdom & Teaching Series London, England 24-28 October 2006

**Soul Mind Body Medicine®** is a breakthrough healing system introduced in Dr. Zhi Gang Sha's new book, *Soul Mind Body Medicine: A Complete Soul Healing System for Optimum Health and Vitality* (New World Library, 2006). It reveals a simple, but profound truth: the **soul can heal**. Dr. Sha is a world-known master healer, advanced spiritual master and New York Times best-selling author of *Soul Mind Body Medicine*.

**24-27 October**

[Introduction to Divine Wisdom and Teachings](#)

**Fee: Free**

19:00 – 20:30

This four-session workshop will empower every participant to develop their soul and spiritual abilities. Each class will introduce you to key concepts and practices for the spiritual journey and how to continue this wondrous journey beyond the class. Everyone is welcome to attend.

**24-27 October**

[Soul Mind Body Medicine Introductory Class](#)

**Fee: £45**

20:30 – 22:00

In this foundation class, you will learn the concepts, theories and practices of Soul Mind Body Medicine to heal your physical, mental, emotional and spiritual bodies. You will learn how to apply these powerful healing techniques to self-heal and heal others.

**28 October**

[Soul Language and Communication Workshop](#)

**Fee: £65**

10:00 – 17:00

Soul Language is a special way of communicating with your own soul and with the Divine to receive guidance and teachings for your life. In this highly interactive and practice-oriented workshop, you will learn to develop, understand and use the power of Soul Language to heal, bless and transform your own life and the lives of others. You will also learn how to open your spiritual channels to translate Soul Language and receive the messages in the soul languages of others. Open your soul language and start communicating with all souls in the universe.

**Peter Hudoba, MD, FRCS** is practicing physician specializing in spinal problems and pain management. Since age 10, Dr. Hudoba has searched for enlightenment. Alongside of his conventional medical studies, he pursued deep study and analysis of ancient Taoist, Buddhist and Vedic spiritual and healing methods. His mission in this life is to support the work of his teacher Dr. Sha and to serve the Divine in any way the Divine chooses for him. For many years, Dr. Hudoba was extensively involved in neuroscience and teaching and practicing surgery at several Universities. He received several Gold medals for his research and on two occasions, he was recognized as a best teacher of a year at College of Medicine. Dr. Hudoba graduated from Medical school and specialized in Neurology and Neurosurgery. He is Certified Power Healer, Assistant Teacher of Master Sha and serves as CEO of Sha Research Foundation in San Francisco.
